

Juniors Proposal #2

Proposal:

Add JV Events for the following boat classes:

- Boys / Girls Lightweight 2x
- Boys / Girls 2-

Background and Motivation:

- The current structure allows multiple entries for each club in these events.
- Adding JV Events in these classes would designate Varsity / JV categories.
- The Varsity class would then be limited to one entry per club.
- This change may allow more crews to accept bids to the USRowing Youth National Championships.
- Ensure the Northwest is sending the most boats possible to represent the region at Youth Nationals.

Notes:

This proposal is for the 2017 Regatta.
