What are we proposing?

1. Move the M & W Youth 4x+ on Friday earlier so that there is more time between 2 Nov 4+ and 2x
 2. Move M & W Nov 4+ earlier (affects heats Friday and Finals Saturday) so that the schedule for Nov 4x+, Nov 8+, 2Nov8+, and Nov 1x later in the day can be spread out more
 3. Rearrange Sat heats and Sun finals for novice events per the schedule below to allow for athletes to row in more combinations of events
- Most other races are only changed by a few minutes from their "traditional" time while keeping the past order of events the same
 - However, M 3V 8+ heats would move to early Sat pm to allow the break to still occur at noon.
 - Also, M & W V 2x finals would move earlier and M 2V 4x later in the Sunday schedule (not necessarily linked to the novice schedule issues - but so that V and 2V 2x can use same shells)
